they acted when the Prince of Wales was in this country in 1802. He says:

ANONING ATTENTIONS ROM WOMEN.
Barling the tour through Canada I had attributed the strange conduct of the I-dates to an excess of loyalty. As soon as the Prince had left a loted they would rush into his rooms, selze all acts of articles, from a furniture batton to a solied towel, as sourcelles, and even bottle np the water with which he had just washed his face. But in the Parkey of the Royal party was carried in small leather trunks—a trunk for every suit or clother—and whenever the train of these trunks might be lianded onto the second of these trunks might be lianded onto the second of these trunks might be lianded onto the second of these trunks might be lianded onto the second of these trunks might be lianded onto the second of these trunks might be lianded onto the second of these trunks might be lianded onto the second of the seco

WHISKERS" PEFFER of Kansas ha introduced a joint resolution in the Seaate to remove the charge of desertion from the army records sgained William H. Linton, late a private ln Tone and the state of the state o Company C, Thirty-second Regiment, O.

WILLIAM H. LINTON, whose home is at Cherryvale, Kas., is one of the Popu list Presidential Electors chosen by the people of the Sunflower State last November, and if his record was clear would east one vote for WILLIAM J. BRYAN for President. As was published several days ago, Linton has been a Wanted—An Idea of the several days ago, Linton has been a

LINTON claims that he is only tech-Public Ledger nically a desertor; that he was a good soldier, and that he simply appears on the rolls as a deserter because he failed to comply with mere formal regulations when the Regiment was mustered out of service at Camp Chase in 1865. His story is that he left the Regiment when it was at Lonisville in the spring of 1865, intending to rejoin it at Camp Chase after the grand review in Wash ington, but when the Regiment reached Columbns to be mustered out he was sick and could not join it.

But to offset Mr. Linton's story which at this distance seems a rather iame excess, it is charged that he did net join the Regiment until in 1864, and then he joined it as a paid substitute for another man; that he is a bona at the Tennessee Centennial, which begins the first of next May, will be an no consideration at the hands of Con-

For McKinisty and Hubert.
Albany, N. Y. Jen. 12.—The 50 republican electors chosen has November met at noon Monday and formally
east the vote of this state for McKinisty
and Hobbart.

# HERE'S YOUR OP-PORTUNITY.

# A New Eight-volume Encyclopaedia

At About Your Own Price.

Every one who has had occasion to consult the cumbersome old encyclo-pedias for some needed information, effectually concealed in some long article, a will be glad to know of the appearance of a new general reference work built will adopt different lines, so that any child who can read may successfully consult it.

along ounsersh ruses, so that any accessfully consult it.

Buth a work is The New Standard American Encylopada in a leght large quarto volumes, and which ambraces the substance of all the other encylopadias, besides a very large amount of new np-to-dister matter some of them contain. It introduces a wast number of new morts, names, facts, ideas, inventions, mothods and developments. It treats, in all, over 0,000 topics, which is from 0,000 to 1,000 more than 1 treats, in all, over 0,000 topics, which is from 0,000 to 1,000 more than 1 which is the contract of the world such as no other source of the contract of the world such as no other source of the contract of the world such as no other source of the contract of the world such as no other source of the contract of the world such as no other source of the contract of the world such as no other source of the property of the potential of the world such as no other source of the world such as no other source of the property of the potential of the world such as no other source of the property of the potential of the world such as no other source of the world such as no other source of the property of the potential of the world such as no other source of the property of the prop

a distinct fascination for them, and thus prove an insportant incentive to reading and study.

The professional or business man, whose time is money; the to, her, who it sealled upon to at once a naw are all acts of questions; the tolling student and will be a subject to the tolling student and will be a subject to the most user ful and practical library in the most user ful and practical library in the most user ful and practical library in the world for quick and ready reference on all subjects. One who owns it will possess the equivalent of a score of other reference books which would cost many times the price of this.

Another feature in which the new work stands absolutely alone, is in its very full appendixes, which embrace over 100 subdivisions, including a Biographical Dictionary, a Dictionary of United States, Religious Summaries, Statistics of the population of the world, and a vertilate mine of information on thousands of subjects of universal interest and importance.

But it is in its treatment of recent audition of the world, and a vertilable mine of information on thousands of subjects of universal interest and importance.

But it is in its treatment of recent audition of the world, and a vertilable mine of information on thousands of subjects of universal interest and importance. But it is not streament of recent audition of the world, and a vertilable mine of information on thousands of subjects and importance, and interest and importance, and interest and importance, and the professional interest and importance of people who have lately become famous, such as Prof. Reentger, discoverer of the "X-Ray," "The Atlanta Exposition," "Color Photography," ste, etc. It also gives biographics of hundreds of people who have lately become famous, such as Prof. Reentger, discoverer of the "X-Ray," and MacLaren, Dr. Nansen, the applorer, Nadyard. Kipling, etc., etc., On account of its hateness in all these matters, as well as its accuracy, it has become the atandard in Schools, Colarates, and a subscriptions

FARMERS AND VILLAGERS, FOR

FATHERS AND MOTHERS FOR

SONS AND DAUGHTERS.

FOR! ALL THE FAMILY.

With the close of the Presidential campaign The Tribune recognizes the fact that the American people are now anxious to gire their attention to home and business interests. To meet this condition, politics will have far less space and prominence, until another stale or National occasion demands a renewal of the fight for the principles for which The Tribune has labored from its inception to the present day and non its greatest victories.

Every possible effort will be put forth and money freely spent to make Weekly Tribune pre-minently a National Family Newspaper, interesting, instructive, entertaining and indispensable to each member of the family.
